February 2021

Member Mary H. shared this story and photo with us.

I made a simple Family Tree (names and photos only on a tree) for my 2 grandchildren (a 6-year-old boy and 4 year-old girl).

Since my grandson is Zooming 1st grade, he showed the tree to his teacher:

Pallo is showing his family tree from MeMaw to his teacher during office hours. ❤️

"I have six grandmas!" 😂

Am I proud? YOU BET!!!
