## SEMINAR RECAP WHAT MEMBERS ARE SAYING:

Gena is a wealth of knowledge. It was nice to know how to search for more books. Just being with genealogy friends was fantastic. - Nancy

New things to check on Family Search. More I hear about that program the more I see they have. No more just depending on [ancestry.com](https://www.ancestry.com) - Barbara

I don't have one favorite; I was fascinated and my head was spinning from all the ways to search women in our American Heritage. -Dar

That you re-search a site completely before you think you have found nothing there. -Myrna

Some great takeaways– EXHAUST a website or catalog.

Make a list of keywords for your searches, names, places, occupations, religion, membership groups, nicknames, all help as you search.

Ask for help, facebook groups, societies from where events happened.

History gives us context and can lead to clues for records. It also adds interest to your genealogy.

## MEMBERSHIP CORNER NEWS

F.C.G.S. membership is yearly from January 1 to December 31, so it is time to renew your Membership! Our website will be sending a renewal reminder to all paid members soon. We do hope that you will continue your loyalty to F.C.G.S. and join us for the 2022 year! Membership's dues are \$30 for individual and \$35 for family.

The society has offered excellent programming via zoom, and we are moving toward in-person meetings with COVID compliance during 2022. Your membership helps cover the costs of these programs. We had a great Seminar-**Women in Genealogy with Gena Philibert-Ortega** on October 30<sup>th</sup>. Membership dues help us keep the entry fee for seminars low.

A Christmas gift idea might be you gifting a family member or friend an F.C.G.S. Membership.

Our website has a way for you to check your membership status and edit your personal information. We have included this information in this newsletter.

We do appreciate your continued support and look forward to all the ways we can explore genealogy together.
